## Estate Planning

---

You know your family best. At Jill Miller & Associates, P.C., we work with our clients to make informed estate planning decisions based on thoughtful discussions. We do not employ a “one size fits all” approach, but rather we consider each client's unique family and financial situation to create a customized estate plan that reduces the risk of family discord, minimizes taxes, and protects assets. We will present the benefits and limitations of each estate planning choice, working as a team to determine the best fit for you and your family, leading our clients to feel knowledgeable and empowered at the end of the process.
